

## *Announcing a Naval Oceanography and Meteorology Community Reunion*

*Who: Past and present members of the Naval Oceanography and Meteorology community at-large (past and present community members and associates, whether military or civilian). The OCEANS 2012 MST/IEEE Conference provides a great opportunity to enjoy friends and colleagues you know, have heard about and/or want to get to know. Re-connect with our unique community!*

*When: Evening of Thursday, 18 October 2012*

*Where:*

*Nauticus / USS Wisconsin  
One Waterside Drive  
Norfolk, Virginia 23510*

*Contact Information: If you have questions or want to volunteer to help, please contact me at -
